

Director of Motor Vehicles message to NH Drivers

- 1) What does Director Marasco mean by "Be a leader on the Roadway"?
- 2) What are the 2 fundamental basics necessary to become a successful and safe driver?
A
B

Section 1 Driving in NH

- 3) List the 4 requirements of Driver ed in NH?
A
B
C
D
- 4) New residents to NH have up to _____ days to obtain a NH driver's licence after moving into the state.
- 5) Explain the meaning of "One License Concept" ?
- 6) List the 3 drivers that are exempt from obtaining a NH driver's license.
A
B
C
- 7) What do you need to travel/drive in NH?
A If you're a non resident _____
B If you're learning how to drive
1 Must be _____
2 Accompanied by a _____ / _____ or a _____ Adult
_____ or older who is a licensed driver.
- 8) Does NH issue driving permits? *circle your response* **Y** or **N**

9) What are the minimum requirements for both eyes on the vision exam? _____/_____

11) How many questions on the knowledge test? _____

10) What are the minimum requirements if you're blind in one eye? _____/_____

12) What does the "B" restriction mean on a NH drivers license? _____

13) What are the 3 "tests" to obtain a non commercial driver license?

1)

2)

3)

14) An individual under 18 must complete _____ hours of driving with a parent/guardian. _____ of those hours must be in complete darkness.

15) What type of questions are used on the written test? _____

17) What happens if you get more than 8 wrong? _____

16) How much time is allowed to complete the written test? _____

18) How long (roughly minutes) is the road test? _____

19) What are you being graded (evaluated) on during the road skill test? List all 5.

1)

4)

2)

5)

3)

20) Overall the licensing examiner is looking for the applicant to demonstrate _____ over the motor vehicle. No one is exempt.

21) What happens if you pass all the tests, what are you issued? _____

Within how many days will your permanent license be mailed? _____

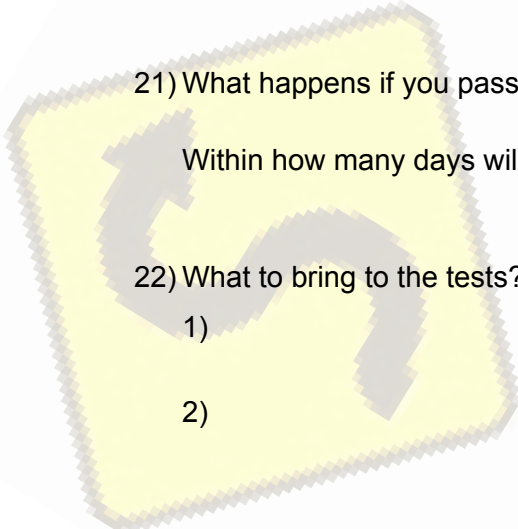

22) What to bring to the tests? List all 4.

1)

3)

2)

4)

23) What do you need for identity & residency requirements to be federally compliant? Use websites listed to retrieve information. List all 3.

1) _____

2) _____

3) _____

24) Is parental consent necessary for NH residents seeking a driver license under age 18 a requirement? *circle your response* **Y** or **N**

25) When are you given the opportunity to designate consent to be an organ and tissue donor?
_____. Can this ever be revoked? **Y** or **N**

Section 2 Driver's License and Non Driver ID Info

26) How many different types of NH driver's licenses are there? _____

30) When does the youth operator license expire _____

27) What class license are you working towards in driver ed? _____

31) Is the youth operator license printed vertically or horizontally? **Y** or **N**

28) Do you need a separate licence for a Motorcycle? **Y** or **N**

32) What is a license restriction? _____

29) What is the youth operator license beginning age _____

33) Give 3 examples of a license restriction with the letter and what it represents?

1) _____

2) _____

3) _____

34) List the 3 specific restrictions for a youth operator?

1) _____

2) _____

3) _____

4) Ages 16 to 18 shall not _____

35) What is the importance of the real ID?

36) What age can you get a non driver ID?

37) Are the requirements for a non driver ID the same for a driver license **Y** or **N**

38) What test is required for an out of state licensed driver who is turning it in and getting a NH license?

39) When does your driver's license expire?

40) How are you notified your license is about to expire?

41) Who is responsible for your license renewal?

44) How many days for the first offense?

42) What is the Youth Operator "Under 20" Law?

45) How many days for the second offense?

43) How can your driver license be suspended?

46) How many days for the third or subsequent offense?

47) What evidence or information of misconduct, misuse or abuse of your driving privileges would result in the consequences stated in Question 44 - 46?

1)

2)

48) List 3 ways you could lose your driving privileges?

1)

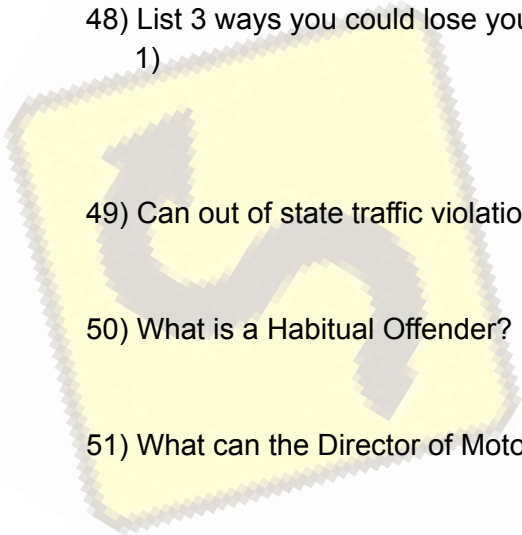

2)

3)

49) Can out of state traffic violations affect your license in NH? **Y** or **N**

50) What is a Habitual Offender?

51) What can the Director of Motor Vehicles do to Habitual Offenders?

Section 3 Dangerous Driving

52) Is driving one of the most important skills a person will learn during their lifetime? **Y** or **N**

54) Should you have eye examinations regularly? **Y** or **N**

53) Is good vision important for safe driving? **Y** or **N**

55) If corrective lenses are required to drive, should they be worn while driving? **Y** or **N**

56) Define Fatigue

57) Can fatigue affect a driver's vision? **Y** or **N**

59) Should a driver avoid operating a motor vehicle if they are tired or fatigued? **Y** or **N**

58) Can fatigue affect and increase the decision making process? **Y** or **N**

60) What is drowsy driving?

61) List the 5 ways to avoid fatigue?

1)

4)

2)

5)

3)

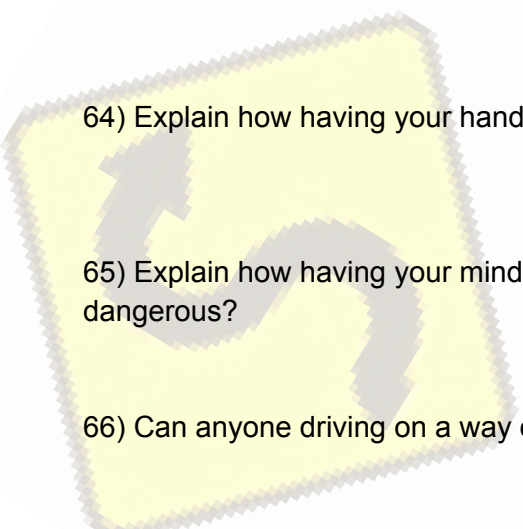

62) Is a distraction defined as anything that takes a driver's attention away from the task of driving? **Y** or **N**

63) Explain how not looking or using your vision is a distraction and is dangerous?

64) Explain how having your hand(s) off the wheel is a distraction and is dangerous?

65) Explain how having your mind or mentally being distracting you from being in the driving zone is dangerous?

66) Can anyone driving on a way or stopped in traffic use an electronic device? **Y** or **N**

67) What does the term "Hands Free" mean in regards to the driving task?

68) Who is responsible for operating a vehicle in a safe manner?

69) If an individual unintentionally/intentionally commits an action which endangers others or property, is this action considered aggressive driving? **Y** or **N**

70) List 5 behaviors typically associated with aggressive driving?

- 1)
- 2)
- 3)
- 4)
- 5)

71) Is this a true statement? Be patient and courteous to other users on the roadway and concentrate on the driving task at hand. **Y** or **N**

72) Alcohol and other impairing drugs cause about what percentage _____ of all traffic deaths on NH roadways?

73) What Blood Alcohol Concentration (BAC) level _____ begins to affect a driver's ability to safely operate a motor vehicle.

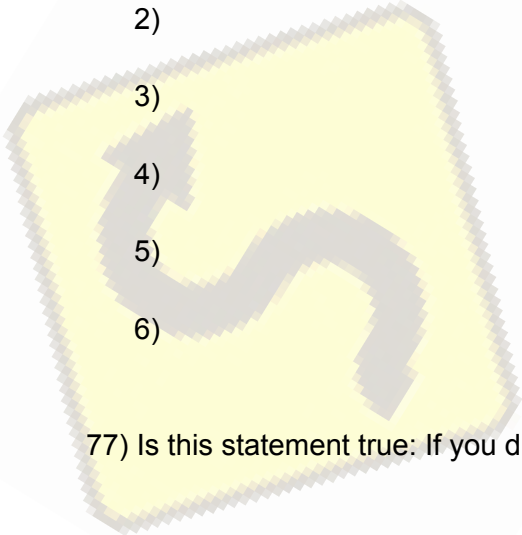

74) Can an under 21 licensed operator transport Alcohol in a motor vehicle? **Y** or **N**

75) Under what conditions can a under 21 operator transport alcohol in a motor vehicle?

76) List the effects of Alcohol and other impairing drugs as it relates to the driving task.

- 1)
- 2)
- 3)
- 4)
- 5)
- 6)

77) Is this statement true: If you drink/drug don't drive, if you drive then don't drink/drug. **Y** or **N**

78) What are the consequences for a first offense of driving/operating a motor vehicle while under the influence of drugs/alcohol.

- 1)
- 2)
- 3)
- 4)
- 5)

79) What are the consequences for a second or subsequent conviction(s).

80) Define Over the Counter Drug(s)

81) Define Prescription Drug(s)

82) Define illegal drug(s)

83) What happens when you combine alcohol and other drugs?

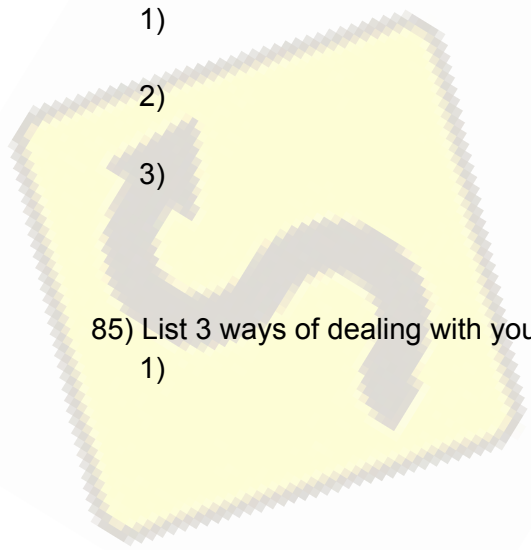

84) List the 5 emotions that interfere with a driver's ability to process information?

- 1)
- 2)
- 3)
- 4)
- 5)

85) List 3 ways of dealing with your emotions?

- 1)
- 2)
- 3)

Street Wise
Driving Academy

Section 4 Before Driving

86) What should a driver do to the vehicle before being driven? List 5.

Think of Project 1 outside vehicle checks.

- 1)
- 2)
- 3)
- 4)
- 5)

87) Why should tires be included in the above list?

88) How often should tire pressure be checked? (think project 14)

89) Explain proper seat position and why it allows for better control of the car?

90) Explain how the driver's foot should be in relation to the brake and accelerator?

91) Explain proper steering wheel setup in relation to the shoulders and the chin?

92) Explain proper head restraint AKA head rests setup in relation to the back of the head and why is this important?

93) How should the mirrors be set up for proper viewing of what is behind/beside the vehicle?

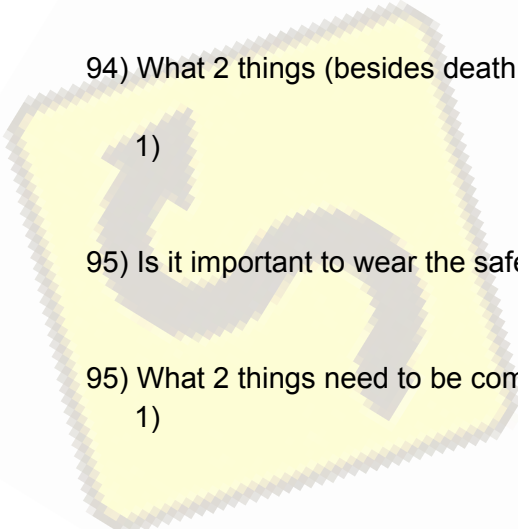

94) What 2 things (besides death and injury) does wearing a safety belt accomplish?

- 1)
- 2)

95) Is it important to wear the safety Belt correctly? **Y** or **N**

95) What 2 things need to be completed that insure the safety belt is properly worn?

- 1)
- 2)

96) What is the age and height requirement for a child passenger restraint system to comply with the USDOT safety standards.

1) Less than (age)

2) Less than (inches)

97) What are NH laws regarding Motorcycle and helmet use. (think project 16)

98) Why is it recommended to wear safety belts in conjunction with air bags?

99) How do you know you are properly securing a load to prevent a fine and a costly crash?

100) List the 10 things that are required for properly towing a trailer?

1)

6)

2)

7)

3)

8)

4)

9)

5)

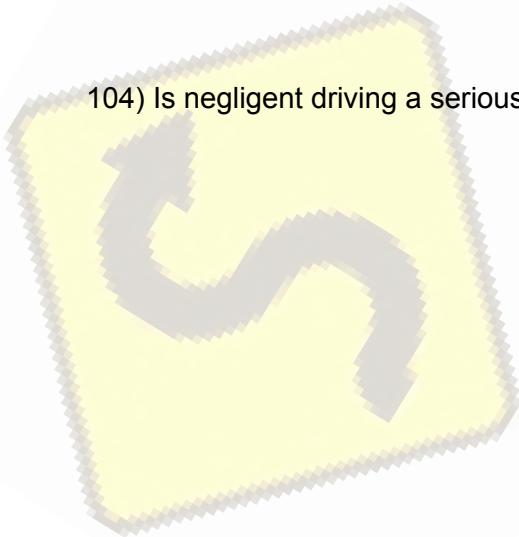

10)

101) What is Jessica's law?

102) Who's responsibility is it to completely remove snow and ice from a vehicle?

103) What is negligent driving?

104) Is negligent driving a serious offense? **Y** or **N**

Section 5 Basic Driving

105) Where should your hands be on the steering wheel (which position does Mr. Russell prefer you to use for safety and balance).

106) What are the 2 types of steering methods?

1)

2)

107) Which steering method does Mr. Russell recommend for better hand and eye coordination especially during emergency situations?

108) What is the best assumption when dealing with a right of way situation?

109) What does the right of way rules provide drivers?

110) Define the right of way law for a vehicle approaching an intersection?

111) Define the right of way law for a vehicle making a left turn?

112) List the 7 times drivers should yield the right of way?

1)

5)

2)

6)

3)

7)

4)

113) Define driving safely?

114) List the 5 conditions that determine safe speed?

1)

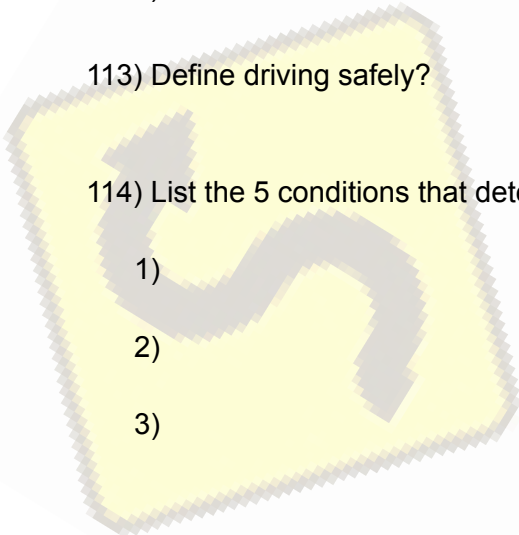

4)

2)

3)

5)

Street Wise
Driving Academy

115) Define speed limits?

116) Business or urban residence district speed limit?

117) Rural residence district speed limit?

118) Driving within city limits on highways like 93 through Concord/Manchester speed limits are 55 MPH.

Y or N

119) Where in NH is the speed limit 65 MPH?

123) What is the general speed rule associated with posted school zones?

120) Where in NH is the speed limit 70 MPH?

124) How many minutes prior/before school opening is the above rule in effect?

121) What is the minimum interstate speed limit?

125) Is it important to be visible to other roadway users?

122) What should you do if the minimum speed limit is too fast for the weather conditions?

126) Who's responsibility is it to make sure the vehicle being operated is visible to other roadway users?

127) List 3 techniques a driver demonstrates visibility with their vehicle?

1)

3)

2)

128) What is appropriate for signaling on a turn?

129) What is appropriate for signaling on a highway/interstate?

130) List 3 instances when drivers should use greater distances for signaling?

1)

2)

3)

131) List the 8 appropriate times a signal is required/needed?

1)

5)

2)

6)

3)

7)

4)

8)

132) Define NH's law as it relates to headlight use?

133) How many feet are necessary to view the road ahead?

134) How many lighted lamps are required in the front of the vehicle?

135) How many lighted lamps are sufficient for a motorcycle?

136) List 1 behavior that allows your car to be visible in all situations?

137) Describe how a vehicle horn can be used/needed to appropriately communicate with other roadway users?

138) Give 4 instances when a light horn tap is appropriate?

- 1)
- 2)
- 3)
- 4)

139) Define total stopping distance?

140) List 4 things that may affect stopping distance?

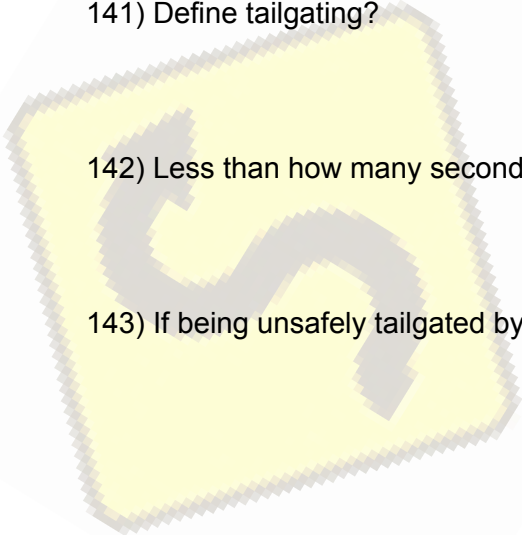

- | | |
|----|----|
| 1) | 3) |
| 2) | 4) |

141) Define tailgating?

142) Less than how many seconds following another vehicle is punishable with a fine?

143) If being unsafely tailgated by another vehicle describes a safe and legal response?

Streetwise
Driving Academy

144) What are the 4 important behaviors necessary before completing a lane change? (hint SMOG)

- 1)
- 2)
- 3)
- 4)

145) Describe how to enter a multi-lane highway?

146) Draw how to enter a multi-lane highway.

147) Is the behavior of entering and exiting a multi-lane highway similar to a lane change?

148) Describe how to exit a multi-lane highway?

149) When is passing permitted?

150) List 4 times when passing is dangerous and attempting is not permitted?

- 1)
- 2)
- 3)
- 4)

151) List several positive behaviors that allow for better visibility and safety for you and the passing driver.

- | | |
|----|----|
| 1) | 3) |
| 2) | 4) |

152) Should back up cameras be the only tool used for backing? **Y** or **N**

153) List all the tools for safely backing a vehicle?

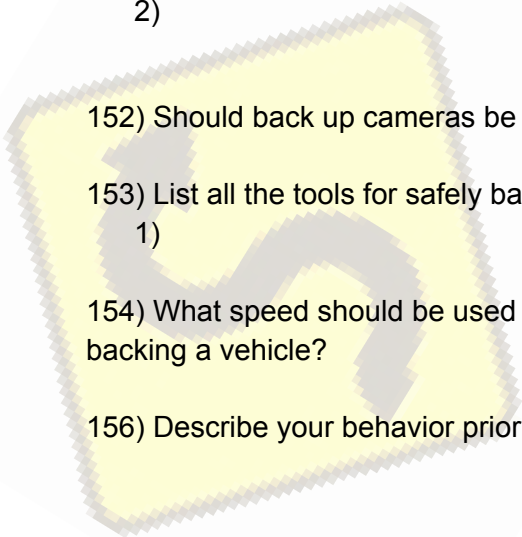

- | | |
|----|----|
| 1) | 2) |
|----|----|

154) What speed should be used while safely backing a vehicle?

155) How many seconds are needed to safely navigate a curve?

156) Describe your behavior prior to the curve?

Street Wise
Driving Academy

157) Describe your behavior in the curve?

158) Describe your behavior exiting the curve?

159) Describe slippery road behavior as it relates to visibility and traction?

160) What is hydroplaning?

161) What is the best way to avoid traction loss from hydroplaning?

162) If you start to hydroplane or lose traction what is the safest way to regain traction?

163) What are the 2 recommendations regarding tires that reduce chances of hydroplaning?

1)

2)

164) List 6 unique rural road characteristics that can be dangerous if you don't remain alert?

1)

4)

2)

5)

3)

6)

165) Describe safe driving behaviors associated with gravel/dirt roads?

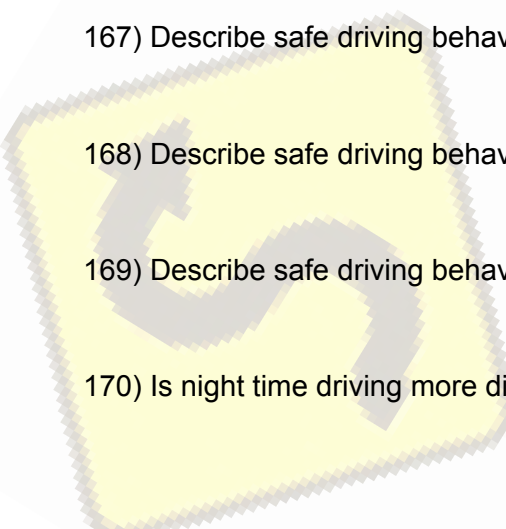

166) Describe safe driving behavior associated with narrow roads?

167) Describe safe driving behaviors associated with open bridge grating or steel bridges?

168) Describe safe driving behaviors associated with reduced vision/visibility?

169) Describe safe driving behaviors associated with uncontrolled intersections?

170) Is night time driving more difficult and hazardous than daytime driving? **Y** or **N**

171) List 8 night driving tips?

- | | |
|----|----|
| 1) | 5) |
| 2) | 6) |
| 3) | 7) |
| 4) | 8) |

172) Explain what the 6 different types of vehicle warning systems are and how they assist the driver?

- | | |
|----|----|
| 1) | 4) |
| 2) | 5) |
| 3) | 6) |

173) What are the drivers responsibility with these mostly passive warning systems?

174) While backing drivers should demonstrate all necessary behaviors for safely monitoring and maneuvering their vehicle. (use all the tools in the tool box) List the 4 behavior/tools.

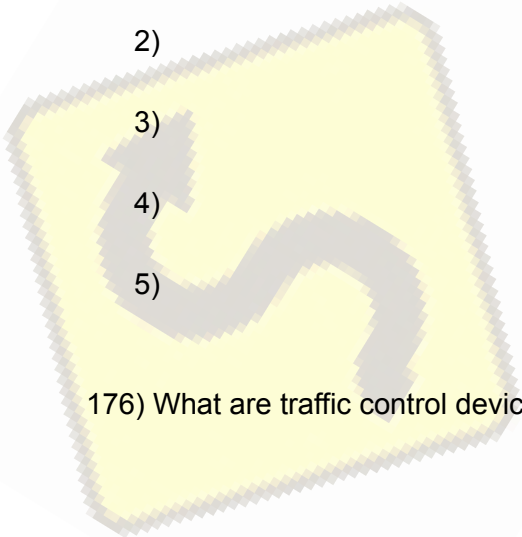

- 1)
- 2)
- 3)
- 4)

Section 6 Rules of the Road

175) List the 9 main principles that make up the basic rules/laws that govern our roads?

- | | |
|----|----|
| 1) | 6) |
| 2) | 7) |
| 3) | 8) |
| 4) | 9) |
| 5) | |

176) What are traffic control devices?

177) What is a traffic signal and what do they tell the driver?

178) What are the 6 things that traffic signs advise/warn drivers ?

- | | |
|----|----|
| 1) | 4) |
| 2) | 5) |
| 3) | 6) |

179) What clues on the signs help convey the type of information provided?

- | | |
|----|----|
| 1) | 3) |
| 2) | 4) |

180) What 2 things give significant meaning so the driver can quickly identify what sign they are looking at?

- 1)
- 2)

181) List the 9 colors and explain their meanings?

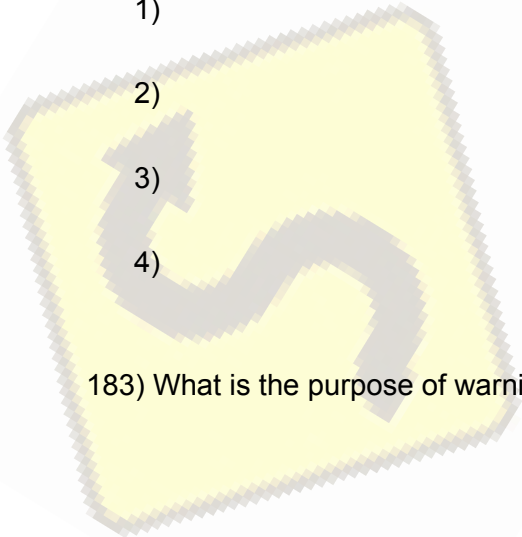

- | | |
|----|----|
| 1) | 6) |
| 2) | 7) |
| 3) | 8) |
| 4) | 9) |
| 5) | |

182) List the 8 standard shapes and explain their meanings?

- | | |
|----|----|
| 1) | 5) |
| 2) | 6) |
| 3) | 7) |
| 4) | 8) |

183) What is the purpose of warning signs?

184) What is the purpose of regulatory signs?

185) What is the purpose of route number signs?

186) What is the purpose of guide signs?

187) What is the purpose of railroad crossing warning signs?

188) Compare the differences between a controlled railroad crossing and uncontrolled railroad crossing?

189) What does the yellow round warning sign with X crossbuck symbol and RR letters tell the driver?

190) What 2 behaviors that begin with the letter L help the driver safely drive over the tracks. Because drivers performed the 2 behaviors they can live.

- 1)
- 2)
- 3) Live

191) If a train is approaching, a driver needs to stop at the stop line if none is present where must the driver stop between what 2 numbers in feet?

- 1) Not closer than?
- 2) Not further than?

192) If you're following a bus, fuel/flammable or hazardous delivery vehicle what can you expect as they approach a railroad crossing?

193) What are some characteristics (shape, color, black letters) of work zone signs?

194) What do work zone signs alert drivers to what is ahead, list all 5?

- 1)
- 2)
- 3)
- 4)
- 5)

195) Are drivers required to follow the instructions on work zone signs? **Y** or **N**

196) What are consequences to not following the rules in a construction/work zone?

- 1) Damage to your car
- 2) Injury/loss of life for yourself or construction worker
- 3) What about fines often times they are clearly marked? Fines can be doubled

197) What are common equipment that help alert drivers to work/construction zones and safely guide them through the zone.

198) What is the purpose of pavement markings?

199) Explain the expectations/behaviors with signal broken (dotted white lines)?

201) Explain the expectations/behaviors with signal broken (dotted yellow lines)?

203) Explain the expectations/behaviors with signal/solid white lines?

205) Explain the expectations/behaviors with signal/solid yellow lines?

207) Explain the colors of edge markings and how they are used on different types of roads?

209) What is a stop line (describe shape, size and color)

211) What are the responsible driver's expectations/behaviors at stop lines?

212) Are shared center turn lanes just for left turns?

200) What is a crosswalk (describe shape, size and color)

202) Describe a mid block city crosswalk (describe shape, size and color)

204) What are the responsible driver's expectations/behaviors at a mid block city crosswalk?

206) What are the responsible driver's expectations/behaviors at a controlled or lighted crosswalk?

208) Arrows and dotted lines in intersections help the driver in what ways?

210) Describe or draw shared center turn lanes (describe shape, size and colors)?

Y or N

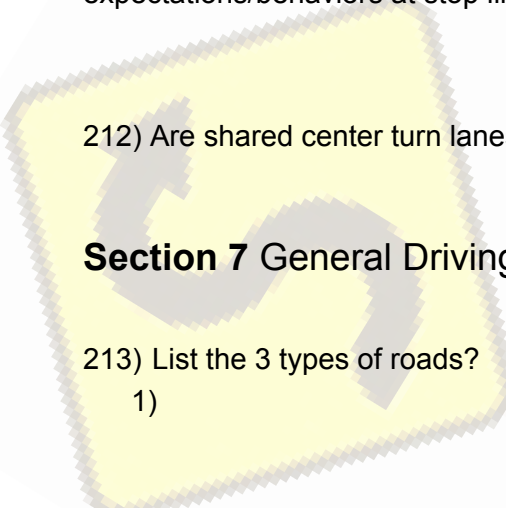

Section 7 General Driving and Parking

213) List the 3 types of roads?

1)

2)

3)

214) Highways can also be known as (list all 4)

- 1) 3)
- 2) 4)

215) Can a highway be a toll road? **Y** or **N**

216) List the 2 ways to pay a toll?

- 1) 2)

217) How do you obtain an E-ZPass?

218) List the 4 important safety things for CASH ONLY toll lanes? **Drivers should:**

- 1) 3)
- 2) 4)

219) List the 3 important safety things for E-ZPASS ONLY toll lanes? **Drivers should:**

- 1)
- 2)
- 3)

220) Before turning drivers should do 4 things?

- 1) 3)
- 2) 4)

221) List a behavior to avoid while executing a right turn? (beginners do this)

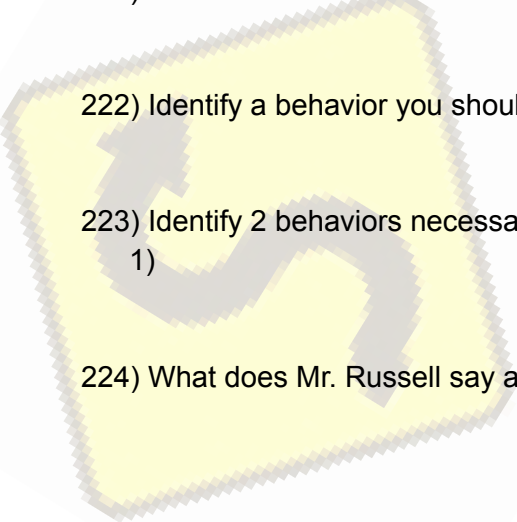

222) Identify a behavior you should always perform while completing a right turn?

223) Identify 2 behaviors necessary to safely make a left turn?

- 1) 2)

224) What does Mr. Russell say about dual right/left turn lanes?

Streetwise
Driving Academy

225) Explain how to safely make a left turn?

226) Explain how to safely make a left turn in a dual left turning lane?

227) What is a protected right turn?

228) Explain the behaviors while making a protected right turn?

229) What is a protected left turn?

230) What are the characteristics (think road and intersection) that help you identify that you're in a protected left turn lane?

231) Explain the behaviors while making a protected left turn?

232) Can the right of way change during certain protected left turns? **Y** or **N**

233) How can you determine the right of way has changed to a yielding/unprotected turn? (hint it is with the signal)

234) How can you determine you're making a yielding/unprotected left turn?

235) Explain the behaviors before and during the process of making a yielding/unprotected turn?

236) You find yourself coming to a flashing yellow left turn signal. Explain how to safely proceed?

237) Explain what an advanced green light is?

238) Explain what a delayed green light is?

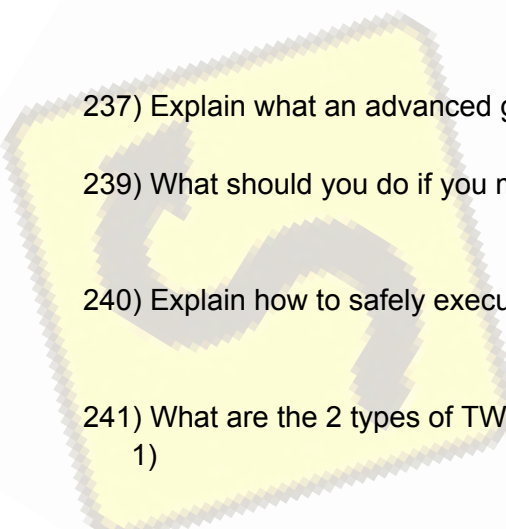

239) What should you do if you missed your exit on a highway like 89/93?

240) Explain how to safely execute a U turn?

241) What are the 2 types of TWO POINT turns?

1)

2)

242) What is the basic difference between the 2 types of TWO Point turns?

243) What is a 3 point turn?

244) What is the difference between a 2 point turn and a 3 point turn?

245) Do you think all drivers obey traffic control signals and signs? **Y** or **N**

246) As a driver you should always be prepared to avoid what?

247) How should a driver clear an intersection (where do you look first, second etc.)

248) Can turn signals be misleading? **Y** or **N**

249) Explain how turn signals can be misleading?

250) What is a roundabout?

251) What is another name that roundabouts are sometimes called?

252) Explain safe behaviors required around school buses?

253) Explain general expectations associated with parking?

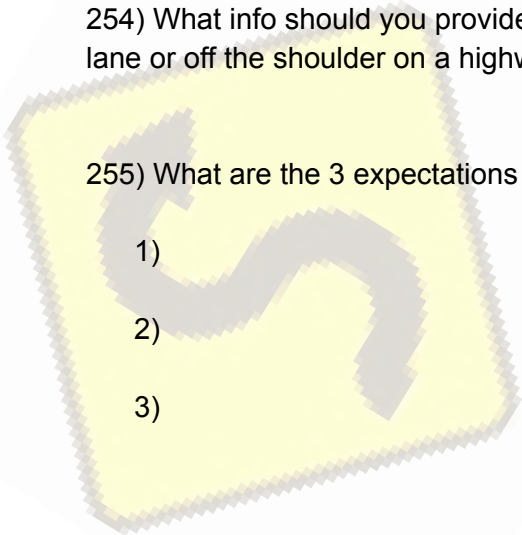

254) What info should you provide if your car is disabled and you need to leave your car in the breakdown lane or off the shoulder on a highway?

255) What are the 3 expectations drivers should do when parking a vehicle?

1)

2)

3)

256) Describe ways to determine if you're parking in a designated "No-Parking Zone"?

257) List the 14 places that it is illegal to park with a brief explanation of why it is illegal?

- | | |
|----|-----|
| 1) | 8) |
| 2) | 9) |
| 3) | 10) |
| 4) | 11) |
| 5) | 12) |
| 6) | 13) |
| 7) | 14) |

258) Draw perpendicular parking spots?

259) Draw angle parking spots?

260) Draw parallel parking spots?

261) What behaviors are required for both entering and exiting all parking spots?

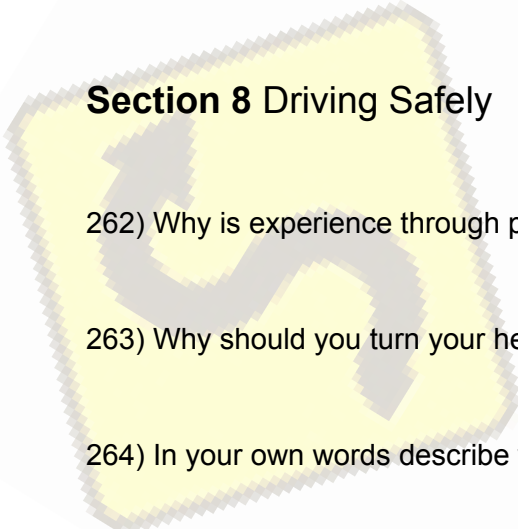

Section 8 Driving Safely

262) Why is experience through practice required to develop the proper habits and skills for driving?

263) Why should you turn your head before you turn the wheel?

264) In your own words describe what is an organized search pattern?

Street Wise
Driving Academy

265) Why should drivers actively use an organized search pattern?

266) What are potential problems when an organized search pattern is not used?

- 1)
- 2)
- 3)

267) In your own words describe space management?

268) What 2 things do drivers need to properly adjust and respond/react to other roadway users?

- 1)
- 2)

269) You find yourself first at a controlled intersection, specifically where should you stop?

270) Where should you stop specifically, if a car is in front of you at a controlled intersection?

271) List 3 or more reasons why the above answer should be one of your driving/stopping behaviors?

- 1)
- 2)
- 3)

272) What is considered the Minimum in seconds for the following distance?

273) Why is the prior answer important to safe driving behavior?

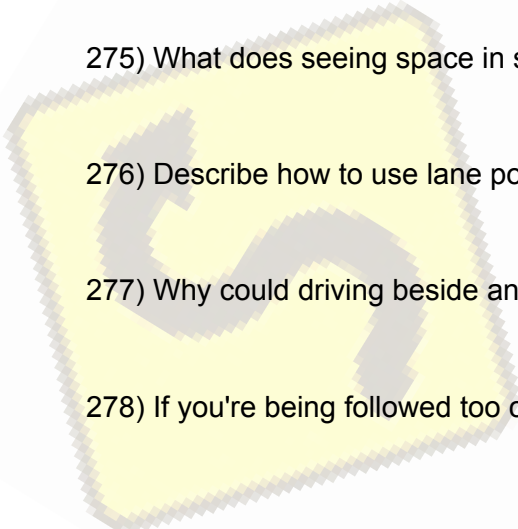

274) Explain how to determine you have the minimum following distance?

275) What does seeing space in seconds mean to you?

276) Describe how to use lane positions to adjust to changes to the space on the sides of the car?

277) Why could driving beside another car for long periods of time (89, 93 or multiple lanes) be dangerous?

278) If you're being followed too closely in an unsafe manner, what safe behaviors should be considered?

279) When should you increase the following distance?

- 1) 3)
- 2) 4)

Section 9 Crashes and financial responsibilities

280) Why should drivers learn to drive defensively?

281) List the common procedures if you're involved in a crash?

282) What are the NH requirements by law if you're involved in a crash/accident?

283) If a crash is investigated by a police officer does that satisfy the NH reporting requirements? **Y** or **N**

284) What are the financial responsibilities if you're involved in a crash?

285) What could happen to your license if you're unable to pay all expenses for a crash if you are uninsured/underinsured?

286) What is an SR-22?

287) What motor vehicle convictions require a SR-22?

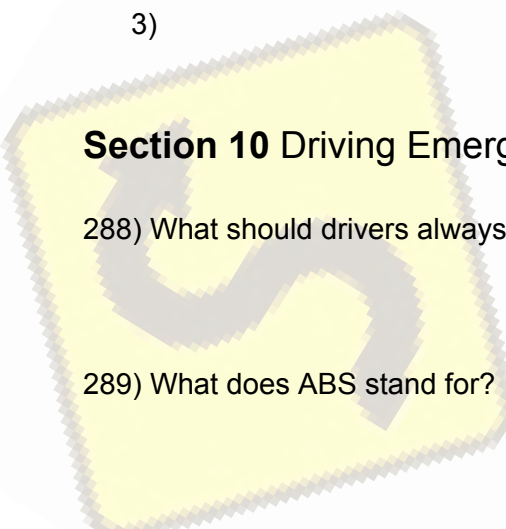

- 1) 4)
- 2) 5)
- 3)

Section 10 Driving Emergencies

288) What should drivers always do before taking action?

289) What does ABS stand for?

290) How do you use ABS?

291) What are signs or noises that ABS is working properly?

292) What is "swerving" ?

293) How do you swerve a vehicle safely?

294) What is another way to avoid a collision/crash?

295) What is skidding?

296) How can skidding be avoided?

297) If a driver is involved in a skid, does the driver have control over the vehicle? **Y** or **N**

298) What are 4 things drivers can do if the vehicle begins to skid?

1)

3)

2)

4)

299) How much time do you have to recover from a skid (Think Mr. Russel's lecture)

300) What should you do if you find your tires are off the paved road surface?

301) What should you do with a tire blowout?

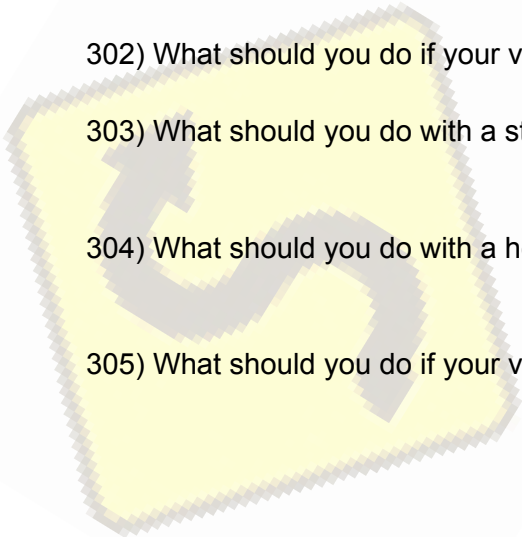

302) What should you do if your vehicle loses power and shuts down while driving?

303) What should you do with a stuck accelerator pedal?

304) What should you do with a headlight failure?

305) What should you do if your vehicle breaks down?

Street Wise
Driving Academy

Section 11 Sharing the Road

306) Besides vehicles list all 7 other roadway users?

- 1)
- 2)
- 3)
- 4)
- 5)
- 6)
- 7)

307) List places where pedestrians are likely to be.

308) What percentage make up all traffic deaths each year?

309) What can you do to prevent a vehicle pedestrian collision?

310) List the 3 times pedestrians have the right of way?

- 1)
- 2)
- 3)

311) List 5 pedestrian responsibilities?

- 1)
- 2)
- 3)
- 4)
- 5)

312) When should drivers be specifically cautious regarding pedestrians?

313) Describe proper safe behaviors with Visually Impaired/Blind Pedestrians?

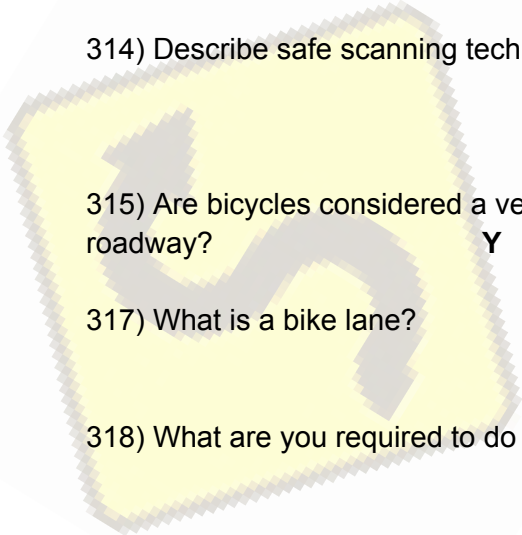

314) Describe safe scanning techniques for vulnerable roadway users in the city?

315) Are bicycles considered a vehicle on the roadway? **Y** or **N**

316) Are bicycles required to follow and obey all traffic laws and regulations? **Y** or **N**

317) What is a bike lane?

318) What are you required to do before crossing a bike lane?

319) What is the minimum number of feet a vehicle needs to give clearance to a bicycle?

320) What should you do prior to opening a car door into the street or sidewalk?

321) What simple visual thing you can do that might give clue to what the bicycle might need to do when you approach or overtake a bicyclist?

322) Do motorcyclists have the same rights and responsibilities as other vehicle operators? **Y** or **N**

323) How wide are typical motorcycles?

324) Where can a motorcycle/bicycle fit easily?

325) What makes motorcycles harder to see?

326) What simple behavior can help you identify if a motorcycle/bicycle is in your blindspot?

327) List several safe behaviors you can do around a motorcycle/bicycle?

328) What 4 circumstances might cause a motorcycle to suddenly slow down or change directions?

1)

3)

2)

4)

329) What is a slow moving vehicle?

330) How should you pass a slow moving vehicle?

331) Describe a sign that is commonly used on a slow moving vehicle?

332) What precautions should be done around horses on the roadway?

333) What is the speed of a slow moving vehicle?

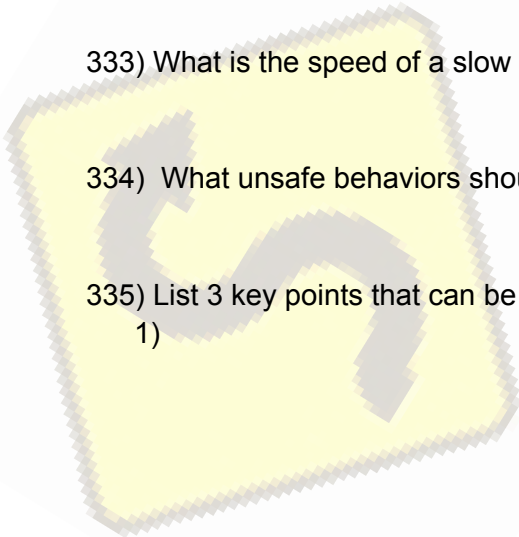

334) What unsafe behaviors should never be used around horses?

335) List 3 key points that can be used to avoid a crash with a large truck/commercial vehicle?

1)

2)

3)

336) What is the No-Zone?

337) Where are the 3 No-Zones on a large vehicle?

1)

2)

3)

338) Which No-Zone is the largest?

339) Why is traveling alongside a large vehicle longer than necessary or required dangerous?

340) Why is traveling in the front No-Zone dangerous?

341) Why is it dangerous to enter a roadway (cutting off) a moving large vehicle?

342) When passing a large truck, when is it safe to pull back into the travel lane in front of the truck?

343) Explain why a large truck makes a wide right turn?

344) Why is it important (also the law) to stop at all stop lines in the city?

345) What is a staggered stop?

346) Why is it dangerous to cut off a large truck or try to beat it in a traffic situation?

347) List 4 emergency vehicles?

1)

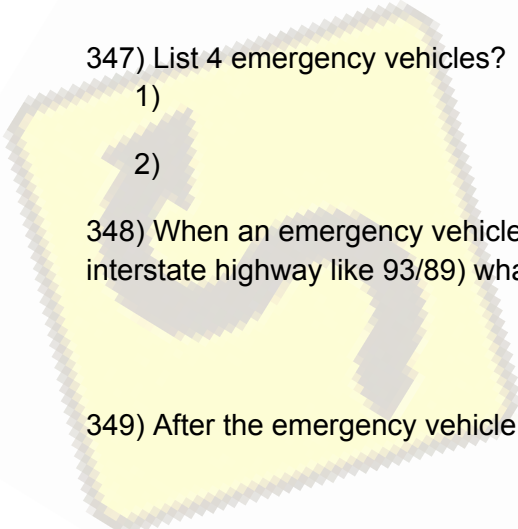

3)

2)

4)

348) When an emergency vehicle is approaching from in front or behind you on a roadway (Not an interstate highway like 93/89) what must you do?

349) After the emergency vehicle passes you, describe how to safely enter the roadway?

350) Drivers must not follow a fire truck closer than how many feet?

351) What is the move over law?

352) What are the expectations for the driver approaching an incident involving an emergency vehicle?

353) What are right of way considerations for the above question?

354) What are the 6 safety behaviors associated with a traffic/police stop?

- | | |
|----|----|
| 1) | 4) |
| 2) | 5) |
| 3) | 6) |

355) What behaviors could escalate a traffic stop and should be avoided?

356) What is a work zone?

357) How can you tell if you're approaching or in a work zone?

358) Why have work zone crashes become increasingly dangerous?

359) List 6 driving behaviors in a work zone?

- | | |
|----|----|
| 1) | 4) |
| 2) | 5) |
| 3) | 6) |

360) Can fines in the work zone be doubled? **Y** or **N**
