

Part 1

1. If you are a resident of NH and want to drive a motor vehicle, you must have a valid _____.
2. Presently there are _____ locations throughout NH where driver licenses are issued.
3. Applicants must furnish _____ forms of ID.
4. Three tests needed for a new driver to get a license are _____, _____ and _____.

Part 2

5. New residents of NH have _____ days to obtain a license.
6. List three instances you do not need a NH driver's license.
1. _____ 2. _____ 3. _____
7. You must be _____ years old to have a license.
8. Persons under _____ age must pass an approved _____ to get a license.
9. Any person between 16 and under 21 will be issued a _____ license.
10. Any individual may practice driving a non-commercial vehicle on NH road beginning at age _____, carry _____ and are accompanied by a parent, legal guardian or other licensed adult who is at least _____ years of age.
11. An individual under 18 must complete _____ hours of supervised practice driving, as well as _____ hours with driver education.
12. List the 4 things you need to bring to get your license.
1. _____ 2. _____ 3. _____ 4. _____
13. Turning in all out-of-licenses you hold before you get your NH license is called _____ concept.
14. To pass the eyesight screening, you must be able to read the _____ line with both eyes and the _____ line if you are blind in one eye.
15. The written test is a _____ question multiple choice test.
16. During the road test, you will be scored on.
1. _____ 2. _____ 3. _____ 4. _____
17. The road test will cover _____ miles and take _____ minutes.

18. List the three types of CDL class licenses.

1. _____ 2. _____ 3. _____

19. Class D is an _____ license.

20. Name these license restrictions.

- B: _____ D: _____ G: _____

21 Your license expires in _____ years on your birthday.

22. If you move or have a name change, you must tell the _____ in writing within _____ days.

23. A non-driver identification card is good for _____ years.

Part 3

24. A _____ is a legal paper telling who owns the vehicle.

25. If the vehicle is bought from a private person, the _____ will make out the _____ application.
If the vehicle is bought from a NH dealer, the _____ make out the _____ application.

26. I should keep the title _____, never in the vehicle.

27. Beginning on Jan. 1, 2003, no title is needed for _____.

28. New residents of NH are given _____ days to register their vehicle.

29. All vehicles registered and titled in the name of an individual (not a company or leased) will expire on _____.

30. Motorcycles, mopeds and trailers have the same registration requirements as other motor vehicles. They must be processed through _____ first and then _____.

31. If your vehicle is powered through an alternate source of energy such as solar, propane, LPG gas, etc. you do not pay fuel tax at the pumps but instead you _____.

Part 4

32. Vehicles must be inspected _____ a year and the month of inspection shall be _____.

33. There are more than _____ official inspection stations in NH.

34. VIN stands for _____ and it must not be changed, removed or _____.

35. Horns must be heard from _____ feet away to pass inspection.

36. The vehicle must have a _____ brake and a _____ brake. The _____ brake must be able to stop the vehicle within _____ feet when the vehicle is going 20 miles per hour.
37. Tires must have _____ of an inch of thread to pass inspection.
38. List 6 things you should check each day before you drive to see that they are in working condition.
- | | | |
|----|----|----|
| 1. | 3. | 5. |
| 2. | 4. | 6. |
39. List 5 things you should keep in the car for emergencies.
- | | | |
|----|----|----|
| 1. | 3. | 5. |
| 2. | 4. | |
40. Motorcycles must be inspected within _____ days of registration and each year during the months of _____ through _____.
41. All registered trailers with GVW of more than _____ pounds must be inspected annually during the _____.
42. If you wear a seat belt (shoulder and lap), your chances of survival in a collision are _____ times better.
43. Seat belts are important because:
- | | |
|----|----|
| 1. | 2. |
|----|----|
44. How do seat belts help keep the driver in control of the vehicle.
- | | |
|----|----|
| 1. | 2. |
|----|----|
45. Keep your seat belt across your _____ and _____.
46. Children should be at least _____ inches tall to wear a shoulder harness.
47. Anyone under the age of _____ must be properly restrained by a safety belt.
48. A child of less than _____ and less than _____ inches tall shall be properly fastened in a child passenger restraint.

49. List two examples of when children do not need to be restrained.

1.

2.

50. Wearing a _____ when on a motorcycle is the single most important thing you can do to improve your chances of surviving an accident.

51. NH law states that all riders and passengers under the age of _____ must wear a helmet when on a motorcycle.

52. The _____ protects customers who have serious defects in their new vehicles during the express warranty period provided by the manufacturer.

53. Two requirements to use this Board and ask for replacement vehicle or partial refund are:

1.

2.

Part 5

54. A _____ directing traffic overrules any traffic light or sign and must be obeyed.

55. Explain what the following sign colors mean and give an example of each.

Red:

Example:

Yellow/Black:

Example:

Orange/Black:

Example:

Brown:

Example:

Green:

Example:

White:

Example:

Blue:

Example:

56. Explain what the following sign shapes mean.

Pennant:

Pentagon:

Octagon:

Down-pointed Triangle:

Diamond:

Circle:

Rectangle:

Crossbuck:

57. What must you do at a stop sign?

58. When can you proceed?

59. Even number interstate routes travel _____.

60. Odd number interstate routes travel _____.

61. Three numbered interstate routes with an odd number first are _____.

62. Three numbered interstate routes with an even number first are _____.

63. At a red traffic light, you must _____.

64. When is it a violation of the law to make a right turn on red?

65. The purpose of a yellow traffic light is to _____.

66. You must yield to _____ in the intersection when your traffic light is green.

67. What must you do on a red arrow?

68. What must you do at a flashing red light?

69. Flashing yellow lights mean _____.
70. Single white lines in the road mean _____.
71. Yellow lines in the road mean _____.
72. Broken (dotted lines) mean _____.
73. Single solid white lines mean _____.
74. What are edge markings?
75. Why are white arrows painted on some roads?
76. What must drivers do at cross walks?
77. What is the purpose of right of way rules?
78. A vehicle going _____ has the right of way over a vehicle going left.
79. The right of way must be given to _____ when they are sounding a siren or operating flashing lights.
80. _____ in crosswalks have right of way over vehicles.
81. At railroad crossings with stop signs or lights, a driver must stop not closer than _____ feet, nor more than _____ feet from the nearest rail of the track.
82. Whenever you approach a school bus from any direction, while operating their flashing red lights, you must stop your vehicle at least _____ feet from the bus.
83. When is the only time you do not need to do this?
84. You must not drive a vehicle with more than _____ persons in the front seat.

Part 6

85. Before turning into your proper lane you should:

1. _____ 2. _____ 3. _____

86. You must signal to turn at least _____ feet before you turn and if you are on the highway, you should signal at least _____ feet before your turn.

87. Turn into the lane that is _____ to the lane from which you came.

88. The hand signal for a right turn is _____.

89. The hand signal for a left turn is _____.

90. The hand signal for a stop is _____.

Part 7

91. _____ are the most common types of accidents.

92. This type of accident can be prevented by choosing the correct _____.

93. A reasonable distance to follow vehicles depends on the _____ of the vehicle along with _____ and _____.

94. Use the _____ rule to choose a safe following distance.

95. If the road and weather conditions are not good, increase your following distance to a _____ second count.

96. When stopped behind another vehicle at a stop sign or light on a hill, you should stay back about _____ car length.

97. If you are being tailgated, you should:

1. _____ 2. _____ 3. _____

98. You must follow a fire truck going to a fire alarm closer than _____ feet.

99. A 55 mph you will travel over _____ feet in 10 seconds.

100. You should remember these things when passing:

1. _____ 2. _____ 3. _____

101. You must get backing in the right lane before coming within _____ feet of any oncoming vehicle.

102. Passing on the right is allowed when:

1. _____ 2. _____

103. On a 2-way, 2-lane road passing is not allowed:

Within _____ feet of a bridge.

Within _____ feet of an intersection or railroad crossing.

104. In usual driving conditions you should drive in the lane that has the _____ flow of traffic.

105. If there are three or more lanes going in one direction, the _____ lane has the smoothest flow of traffic.

106. Before changing lanes, you must turn your head in the direction of the turn and check your _____.

Part 8

107. To stop your vehicle, three things must happen:

1. _____ 2. _____ 3. _____

108. The time it takes from the moment you see the danger until you step on the brake is called _____.

109. The distance your vehicle has traveled during this time is called _____.

110. Tests have shown that the average driver takes about _____ of a second to put a foot on the brake pedal after seeing the danger.

111. The time it takes for the brakes and friction between the road and tires to stop the vehicle is called _____.

112. The distance your vehicle travels during this time is called _____.

113. The braking ability of a vehicle varies due to differences in _____, _____, _____, _____ and _____.

Part 9

114. More drivers are convicted of _____ than any other offense.

115. The _____ is the one that allows you to have complete control of the vehicle and allows you to handle any emergency that might arise.

116. This speed is determined by:

- | | | |
|----|----|----|
| 1. | 3. | 5. |
| 2. | 4. | 6. |

117. Speed limits are the _____ speed you may travel under ideal conditions.

118. Maximum speed limits in NH are:

Posted school zone:

When towing a house trailer:

Business district:

All other areas, including interstate
highways not otherwise posted:

Rural residence district:

Specific sections of the interstate:

119. When you double your speed, the stopping distance is nearly _____ times greater.

Part 10

120. Stopping, standing and parking are regulated to:

121. When you park on a public road, you must make sure you do not get in the way of _____.

122. You cannot be more than _____ away from a curb when you park.

123. The law requires you to turn off the _____ and remove the _____ when you leave a vehicle.

124. A good rule is that you need at least _____ feet more than the length of the car to parallel park easily.

125. _____ parking is common in parking lots, shopping centers and wide streets.

126. When parking along a rural highway, you must make sure there is a clear view for a distance of _____ feet in each direction.

127. If you must leave your vehicle for several hours you should:

128. Parking is not allowed in the following places:

1. _____
2. _____
3. _____
4. _____
5. _____

129. Do not park within _____ feet of a fire hydrant.

130. Do not park within _____ feet of a crosswalk.

131. Do not park within _____ feet of a stop sign.

Part 11

132. If you become stuck in a blizzard or snowstorm, provide fresh air to prevent _____.

133. When driving in the fog, put your _____ beams on. This prevents _____.

134. Roads are more dangerous at the _____ of a light rain when _____ and _____ mix to form a _____ on the road.

135. Rain can create vision problems. Be sure to keep the _____ and _____ on and in good condition.

136. Hydroplaning can occur at speeds as low as _____.

137. Hydroplaning can cause _____.

138. To reduce the chances of hydroplaning you should.

1. _____
2. _____
3. _____

139. The fatal accident rate for night driving is nearly _____ times greater than for daytime driving.

140. Never drive so fast at night that you cannot stop within the distance you can see with your lights. This is called _____.

141. Under normal conditions, headlights on high beam illuminate about _____ feet, while headlights on low beam illuminate about _____ feet.

142. At night to reduce glare, shift your eyes to the _____ and concentrate on the _____ markings.

143. Being drowsy or half asleep is often called _____ when driving.

144. To reduce fatigue you should:

- | | | | |
|----|----|----|----|
| 1. | 3. | 5. | 7. |
| 2. | 4. | 6. | |

145. Dim your headlights before meeting an oncoming vehicle within _____ feet of that oncoming vehicle and within _____ feet when following another vehicle.

146. Curves call for special attention, so it is a good idea to _____ your speed _____ the curve, never when in the curve.

147. _____ force can cause the vehicle to go off the road on a curve.

148. On slippery roads, the keys to safe driving are _____, _____, _____ and _____.

149. When driving in winter:

Never _____ the tires when starting.

Lower your _____ to suit the conditions.

Don't start driving until the windows are _____.

If you become stuck in a blizzard or snowstorm, put a _____ flag on the antennae.

Part 12

150. Your brakes may fail when they become wet when you go through _____.

151. You will be warned of brake failure when the brake pedal feels _____ and slowly _____.

152. First thing you should do if the brakes fail is _____.

153. Try using the _____ brake after.

154. Shift to a _____ gear.

155. Use your _____ to warn other drivers.

156. If a vehicle suddenly approaches from the opposite direction in your lane and a collision is likely to happen, the first thing you should do is _____.

157. Also head for the shoulder on the _____ of the road.

158. The general cause of a vehicle fire _____.

159. If you do not have a fire extinguisher, try to smother the flames with _____ and do not use _____.

160. A major symptom of your engine overheating is _____ coming from under the hood and it means that the _____ system has overheated.

161. Do not open the _____ when the engine has overheated.

162. If your vehicle plunges into water with windows and doors closed, it will float for _____ minutes.

163. Most people who do not survive this type of accident are _____.

164. If your headlights suddenly go out:

1. _____ 2. _____ 3. _____

165. If your gas pedal is stuck shift into _____.

166. If your hood suddenly flies up you should look:

1. _____ 2. _____

167. If you must stop along any road in an emergency, you should pull off the road and make sure others can see you from a distance of at least _____ feet.

Part 13

168. Expressways are also known as _____, _____, _____, _____ and _____.

169. Expressway driving is different from regular driving because you must _____ and _____ faster at higher speeds.

170. _____ means that vehicles can enter or leave expressways only at certain locations where interchanges are found.

171. You enter an expressway on an _____.

172. This ramp will take you to the _____ lane.

173. As you approach and enter this lane _____ your speed to match that of vehicles on the expressway, if possible.

174. Watch for an opening, turn on your _____ and _____ slowly with the other traffic.

175. Do not come to a full _____ in the acceleration lane unless traffic conditions are such that you have no other choice.

176. When changing lanes on the expressway, always turn your head and check your _____.

177. Do not turn back into the right-hand lane until you can see the vehicle you passed in your _____.

178. The left lane is for _____ only.

179. If you miss your exit you must not _____, _____, or try to _____. Drive to the _____.

Part 14

180. _____ is by far the greatest hazard for a driver.

181. If you drink, even just a little, your chances of an accident are _____ times greater than if you are completely sober.

182. When alcohol enters your stomach it goes into your blood and to all parts of your body and reaches your brain in _____ minutes.

183. _____ is the first thing to go when drinking.

184. Alcohol is a _____, not a stimulant.

185. An important fact to remember is that the type of alcohol you consume doesn't matter, it is the _____ that enters the bloodstream.

186. Drinking on an _____ will affect the body faster than drinking after eating.

187. After drinking, there is nothing that will reduce the effects of alcohol except _____.

188. The three organs that eliminate alcohol are _____, _____ and _____.

189. Your body takes about _____ to get rid of each ounce of alcohol.

190. An individual's _____ is a factor and thinner, lighter people must be more careful.

191. Blood alcohol content or _____ is the ratio of alcohol to blood in the bloodstream at any given time.

192. In NH a BAC level of _____% if you are under the age of 21 and _____% over 21 are evidence you are legally intoxicated.

193. The 5 factors that determine BAC are:

- | | | |
|----|----|----|
| 1. | 3. | 5. |
| 2. | 4. | |

194. BAC levels as low as _____% can effect your driving abilities.
195. An individual must be age _____ in order to legally purchase and consume alcohol.
196. No driver under age 21, unless accompanied by a _____, shall transport any form of alcohol in any part of a vehicle.
197. License/operating privileges may be suspended for _____ days for any driver violating this.
198. No driver shall have any alcohol within the passenger area of any vehicle except in _____ and with _____.
199. A first offense violation of this may result in a _____ day suspension of license and up to _____ for further offenses.
200. "Implied consent" means that any person who drives a motor vehicle in NH has consented to having their _____, _____, or _____ tested if arrested for an alcohol or drug offense.
201. If you refuse a test, your license shall be suspended for _____.
202. If you have a prior DUI conviction or prior refusal within 7 years, the penalty shall be _____ loss of license.
203. If you are over the limit, penalties are:
- | | |
|---------------------|---------------------|
| For first offense: | For aggravated DUI: |
| | |
| For second offense: | |
204. Almost any drug can affect your driving skills and most drugs you take for _____ can make you drowsy.
205. A person who drives a motor vehicle while in possession of a controlled drug shall be guilty of a _____ and their license shall be revoked from _____ days to _____ years.

Part 15

206. If you are under 25, the odds are that your _____, _____, _____, _____ and _____ are better than older drivers.
207. _____ is your biggest disadvantage.
208. Under 25 drivers make up less than _____% of all drivers, yet are involved in nearly _____% of all accidents and make up nearly _____% of the drivers involved in fatal accidents.
209. _____ and _____ are the two most frequent causes of fatal accidents, especially among _____.

210. Drivers over age 55 will be affected both mentally and physically in the following way.

1. _____
2. _____
3. _____

Part 16

211. Each year in NH more than _____ accidents are reported.

212. To protect yourself, you must learn to drive _____.

213. This means you must watch for _____.

214. The defensive driving rules are:

1. _____
2. _____
3. _____
4. _____

215. What should you do if you are about to be hit from the rear?

1. _____
2. _____
3. _____

216. What should you do if you are about to be hit from the side?

1. _____
2. _____

217. The first thing you want to do when involved in a collision is _____.

218. Then what do you want to do?

1. _____
2. _____
3. _____
4. _____
5. _____

219. What info do you want to get from the other driver?

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

220.What details do you want to know about the accident to help you complete the accident report?

- | | | | |
|----|----|----|----|
| 1. | 3. | 5. | 7. |
| 2. | 4. | 6. | |

221.NH law requires that if anyone is killed or injured or combined property damage is more than _____, you must file an official _____ to the _____ within _____.

222.If the accident is investigated by a _____, you are not required to _____ to the DMV.

223.Where can you find forms for filing an accident report?

224.List four things you do if you arrive at the scene of an accident.

- | | |
|----|----|
| 1. | 3. |
| 2. | 4. |

225.Some states require motorists to purchase _____ before they can register a vehicle, however NH has no _____ law, so you can drive a vehicle without insurance.

226.If you do not have insurance and you are involved in a collision and cannot pay for the damage to other's property, the _____ law requires that the _____ suspend your _____ until a has been reached.

227.Because of an uninsured accident, you may be required to carry _____ for several _____ after the accident. When insurance is required by the _____ an _____ certificate is filed for you by an insurance company.

228.In NH the financial responsibility limits are:

- At least _____ due to injury or death to any one person.
At least _____ due to any one accident resulting in _____ of more than 1 person.
At least _____ for damage to property or others.

229.When can financial responsibility be required by the DMV?

- | | | |
|----|----|----|
| 1. | 3. | 5. |
| 2. | 4. | |

230.The DMV strongly recommends all owners of vehicles to carry _____ and _____ insurance.

231.If you are under 20 years old and convicted of a motor vehicle violation, your license will be _____.

232.First offense is a _____ day suspension, second offense is a _____ day and the third and subsequent offenses are a _____ day.

233.Demerit points are assess after court convictions. Give 3 examples of each.

1 point:

2 points:

3 points:

4 points:

6 points:

234.Under age 18, _____ points in 1 calendar year is up to a 3 month suspension and 12 points in 2 consecutive years is up to a _____ suspension.

235.For drivers age 18 to 20, _____ points in a calendar year is up to a 3 month suspension,15 points in 2 consecutive years is up to _____ suspension and _____ points in 3 consecutive years is up to a _____ suspension.

236.Drivers age 21 and up can also get suspension. 12 points in _____ is up to _____ suspension. _____ points in 2 consecutive years is up to _____ suspension.

237.When should you signal?

1.

3.

2.

4.

238.When should you signal before slowing down?

1.

3.

2.

Part 17

239. List the 11 safety and energy conservation tips:

- | | |
|----|-----|
| 1. | 7. |
| 2. | 8. |
| 3. | 9. |
| 4. | 10. |
| 5. | 11. |
| 6. | |

Part 18

240. When approaching a location where a police officer has made a traffic stop, every driver shall _____ any lane wholly or partially blocked.

241. When it becomes necessary to walk on a roadway, which side should you walk on?

242. When you walk on the roadway at night you should always _____.

243. Persons riding a bicycle must ride on the _____ side of the roadway.

244. Bicyclists may not ride more than _____ abreast.

245. Besides being smaller what makes a motorcycle harder to see?

246. What is the fastest growing accident category?

247. List four facts regarding distracted driving.

1.

3.

2.

4.

248. Summarize your knowledge of sharing the road with trucks.

249. Summarize your knowledge of sharing the road with motorcyclists.

250. Summarize your knowledge of sharing the road with bicyclists.

251. Summarize your knowledge of sharing the road with pedestrians.

Part 19

252. What is a CDL?
